

## **Mind Control Demons**

Before you are born-again your spirit is dead to God. (Genesis 2:17). After you are born again, your spirit comes alive to God and the Holy Spirit lives in you. A battle begins between your soul and your spirit. Satan works against your soul to keep you from progressing spiritually. Satan wants to keep you an immature, carnal Christian, unable to live by the Holy Spirit.

### **Introduction**

The soul is the mind, emotions and will. The mind decides what the body will do and then send instructions to the body. For example, if you are going to walk, your mind tells your legs to move. If you are to talk, your mind tells you to open your mouth and what to speak.

When mind-control demons are present, they fight your spirit at every turn. It becomes very difficult to obey God, even though you want to. Joyce Meyers said that the Battlefield is in the mind. Mind control is the chief weapon of Satan to trap you and keep him in bondage:

Lest Satan should take advantage of us, for we are not ignorant of his devices (traps). 2 Corinthians 2:11

Demons attack our minds because from there they are in a strong position to affect every area of our life.

### **There are Three Categories of Demons:**

#### **1. Spirits that Lead into Sin and Rebellion against God.**

These demons you into sin by working with your sinful nature:

Lust, Jealousy, Envy, Hate, Fornication, Pornography, Dishonesty, Greed, Pride, Drug Addiction, etc.

#### **2. Spirits that Affect the Mind.**

These demons keep you in sin and give you an unsound mind. There are many different spirits that affect the mind. Some are:

Suspicion, Distrust, Deception, Paranoia, Fear, Worry, Doubt, Witchcraft, and many more.

These spirits are responsible for false religions. When you become part of a false religion, you open a door to mind control demons. Then demons drive these you to evangelize others into this false religion.

#### **3. Spirits that cause Physical Infirmities and Diseases.**

These spirits work with mind-control demons to give you illnesses.

For example: Spirits of Infirmity, Death, Destruction, and Disease. Bitterness can cause cancer. Envy can cause rotteness of the bones. Fear can cause high blood pressure, heart problems, asthma, allergies, etc.

### **Satan's kingdom:**

Demons are set up in a hierarchy, like an army – Commander down to foot soldiers. The more powerful demons are at a higher rank. Weaker demons are at a lower rank and answer to the higher rank demons. Demons hate each other but are trained to work together to afflict man. When under attack (in deliverance) demons will work together to keep from being cast out. The strongest demons are Mind-Control demons. This is why Paul told us:

For though we walk in the flesh, we do not war against the flesh. For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ. 2 Corinthians 10:3-5

### **Mind Control Demons work in two ways:**

1. They add thoughts to your mind

The devil already put into the heart of Judas to betray Jesus. John 13:2  
(Heart in Greek is defined = mind, thoughts, feelings)

2. They subtract thoughts – make you forget things you should remember

Luke 8:12 = Parable of the sower

The seed by wayside represents the people that hear the Word but the devil and steals the word out of their heart.

The god of this age blinds the minds of those who are not saved, who do not believe in Jesus. He blinds their minds so that they cannot see the light of the Gospel of Jesus Christ. 2 Corinthians 4:4

### **How do Mind-Control Demons Operate:**

Demons in the mind have tentacles, like an octopus, that hold everything in place. A tentacle goes from the main stronghold in your mind other parts of your: mind, will, emotions and body. For example:

Fear is a stronghold in the mind. If a person has a fear of people breaking into their home, the mind reaches into the body by tentacles to cause the person to: lock every door, keep a loaded gun, put bars on the windows, etc. The tentacle keeps the person from sleep. Fear can cause mental, emotional and physical disorders and diseases.

The lessons in our Spiritual Healing and Deliverance Manual teach about strongholds that affect the mind: Rejection, Covetousness, Accusation, etc. Mind-control demons have you looking backward, in your past, instead forward to your destiny.

### **Religion or Pharisee Spirits**

You believe things have to be done a certain way. And if it is not done that way, you rebel against it and keep the Holy Spirit from flowing.

No one puts new wine into old wineskins, or else the new wine will burst the wineskins and be spoiled, and the new wineskins will be ruined. But new wine must be put into new wineskins, and both are preserved. No one having drunk old wine, immediately desires the new, for he says the old is better. Luke 5:37-39

### **Addictions**

Tentacles hold people to addictions. Addictions to alcohol, food, television, football, internet, smart-phones, drugs, money, work, etc. Mind control demons keep you thinking about what you are addicted to. It then causes your body to desire it also. These demons keep your mind off of God and attack your health, causing illnesses and diseases.

### **Deception and Pride**

This is one of the main mind-control demons that keep other strongholds in place. Deception will cause you not to see your true condition and will keep them from receiving deliverance. Pride works with deception.

### **Double-Mindedness**

This keeps you from staying in Kingdom of God. You start out strong, but do not finish well. Demons of Distraction, Discouragement, Laziness, Confusion all are mind control demons that cause double-mindedness.

### **Blame and Entitlement**

Blame, Accusation and Entitlement are demons that affect your minds. They cause you to think in ungodly ways.

### **Fear**

This is a very strong mind control demon. No matter what God says, fear tells you the opposite. Then your body responds and goes into fear, also.

God does not give you a spirit of fear, but of love, power and a sound mind.

1 Timothy 1:7

### **Bitterness/Anger/Hatred**

Demons of bitterness, anger and hatred keep your mind bound to unforgiveness, constantly reminding you of what that person did, and encouraging you not to forgive. But we are commanded to forgive: Matthew 6:14-15

## **Mental Disorders**

Schizophrenia, Developmental Disabilities, Autism, Insanity, Instability, Obsessive/Compulsive Disorders, ADD/ADHD. Some demons keep the mind from developing fully. Some interfere with proper functioning of the mind.
